

Delta Kappa Gamma Scholarship  
Beta Chapter

The Delta Kappa Gamma Society is an organization which recognizes and celebrates the achievement of women in education. Women who have given or who evidence a potential for distinctive service in any field of education are eligible. It also is to acknowledge women who initiate, endorse, and support desirable legislation in the interests of education and women educators. It is in this spirit that we will acknowledge the academic and service of one female high school senior this year.
